May 1, 2020

Due to Covid 19 being present in the United States and in the state of Iowa, the Norman Borlaug Heritage Foundation's Borlaug Heritage Farms are closed for all scheduled activities and guided tours until further notice.

Dear Borlaug Foundation Supporters and Guests,

After a great deal of careful consideration, we are temporarily suspending scheduled activities and guided tours at the farms. That is the right thing for our community.

You can continue to support our foundation financially, as closure will definitely have an impact on our finances.

We are actively monitoring the situation and will resume a normal schedule when it looks safe to do so. If you choose to visit the farms, walk the trails and read the signs, you may do so at your own risk. The NBHF assumes no liability for those who decide to visit. You can check our website www.normanborlaug.org and FB <https://www.facebook.com/NormanBorlaugHeritageFoundation/> for information on reopening. You may also contact us via the Cresco Chamber of Commerce at 563-547-3434.

Thank you for your interest in Dr. Borlaug's work and legacy and for your continued support of the NBHF.

Sincerely,

Laura Schmauss
President NBHF
